## INDEPENDENT AUDITOR'S REPORT

*On the Separate financial statements of Port of Hai Phong Joint Stock Company  
For the fiscal year ended 31 December 2024*

**To: Shareholders**  
**Board of Management and Board of General Directors**  
**Port of Hai Phong Joint Stock Company**

We have audited the accompanying Separate Financial Statements of Port of Hai Phong Joint Stock Company (hereinafter referred to as the "Company") which were prepared on 21 February 2025, as set out on page 06 to 54, including: the Separate Statement of Financial Position as at 31 December 2024, the Separate Income Statement and Separate Cash Flow Statement for the fiscal year then ended and the Notes thereto.

### Responsibilities of the Board of General Directors

Board of General Directors of Company is responsible for the preparation and fair presentation of these separate financial statements in accordance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and legal regulations related to the preparation and presentation of the separate financial statements in Vietnam and for such internal control as the Board of General Directors determines is necessary to enable the preparation and presentation of the separate financial statements that are free from material misstatements, whether due to fraud or error.

### Responsibilities of the Auditors

Our responsibility is to express an opinion on these Financial Statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those Standards require that we comply with ethical requirements, plan and perform the audit to obtain reasonable assurance whether the separate financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the separate financial statements. The selected procedures depend on the auditor's judgment, including the assessment of the risks of material misstatement of the separate financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the separate financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board of Management, as well as evaluating the overall presentation of the separate financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Basis for Qualified Opinion

1. As of 31 December 2024, Company recognized assets related to Berths No. 04 and No. 05 and the Chua Ve Port container yard under the item "Tangible Fixed Assets" (code 221) on the Separate Balance Sheet. These assets had a total historical cost of VND 279.7 billion and a net carrying amount of VND 142.14 billion. The sources of funds for these assets are recorded under "Long-term Borrowings and Finance Lease Liabilities" (code 338) on the Separate Balance Sheet, with a corresponding value of VND 342.1 billion. These assets belong to Phase II of the Hai Phong Port Renovation and Upgrading Project, which was invested by Ministry of Transport using Japanese ODA loans and the Government's counterpart funding.

As required by Ministry of Finance, Company has temporarily paid to the State budget some amounts related to the above project, including: Depreciation of assets related to berths No. 04 and No. 05 and Chua Ve port container yard during the period from 2014 to 31 December 2018 at VND 44.8 billion, and temporary accrued interest expenses of loans at VND 149.3 billion.

## INDEPENDENT AUDITOR'S REPORT (CONT'D)

### Basis for Qualified Opinion (Cont'd)

In compliance with the Resolution No. 71/NQ-CHP dated 12 June 2020 of the Board of Management, Company has stopped depreciating and recognizing interest cost since 01 January 2020 for assets related to berths No. 04 and No. 05, and Chua Ve port container yard to pending for approved finalized solution by Government authorities on these assets. As at 8 June 2023, Company issued Document No. 1674/CHP-TCKT to Ministry of Transport proposing Port of Hai Phong JSC would be re-assigned to manage and use Berths No. 04, No. 05 and Chua Ve Port container yard, in accordance with the Document No. 2313/TTg-KTN dated 25 December 2013 by Prime Minister. Ministry of Transport issued Document No. 10882/BGTVT-TC on 28 September 2023, to Ministry of Finance seeking opinions on draft Decree of the management, operation and utilization of maritime infrastructure assets (replacing Decree No. 43/2018/NĐ-CP dated 12 March 2018). Ministry of Transport proposed adding content to the transitional provisions of the Decree in case the proposal is approved, it would resolve the management form of assets, i.e., the assets at berth No. 4, 5 of Chua Ve Port would be handed over to Hai Phong Port for management and utilization (not for lease). On 24 December 2024, the Government Office issued Notification No. 569/TB-VPCP regarding the conclusions on feedback and explanations from Government Members on the Decree on the management, operation, and utilization of inland waterway infrastructure assets. Accordingly, the Deputy Prime Minister agreed not to stipulate transitional handling in the Decree for maritime infrastructure assets formed from state capital, and assigned Ministry of Transport and Ministry of Finance to urgently report the solution plan. When the official approval of the management and utilization plan for the assets at berth No. 4, 5, Chua Ve container yard, and equipment package is received, Hai Phong Port will be responsible for updating the financial report data. On 27 December 2024, following Resolution No. 168/NQ-CHP, the Board of Management of Company approved the policy to continue depreciating berth No. 04, 05, and Chua Ve container yard according to the proposal of the General Director of Hai Phong Port in Report No. 4882/CHP-TCKT dated 25 December 2024.

As of the issued date of this audited report, there has been no any further directive from the Government agency on the management form of berths No. 04, No. 05, and the container yard at Chua Ve Port of Company being issued. Therefore, we do not have sufficient basis to determine the costs related to the use of berths 04, No. 05 and Chua Ve port container yard of Company from 01 January 2020 to 31 December 2024.

2. Ministry of Finance has requested a review of Company's equitization process (as the finalization of the State capital value at the time of equitization has not yet been approved by the relevant authorities). Once official approval is obtained from the regulatory authorities regarding the borrowing and debt repayment plan, Company will make the necessary adjustments (if any) to this Separate Financial Statements. We have not been able to collect the necessary documents to assess the full impact of the aforementioned issues on Company's Separate Financial Statements.

### Qualified opinion

In our opinion, except for the effect of the matters described in the "Basis for qualified opinion" section of our report, the Separate Financial Statements give a true and fair view, in all material respects, of the Separate financial position of Port of Hai Phong Joint Stock Company as at 31 December 2024, and results of its operations and its cash flows for the fiscal year ended 31 December 2024, in accordance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and related legal regulations on the preparation and presentation of the Separate Financial Statements in Vietnam.

## **INDEPENDENT AUDITORS' REPORT**

*On the Consolidated Financial Statements of Port of Hai Phong Joint Stock Company  
For the fiscal year ended 31 December 2024*

**To: Shareholders**  
**Board of Management and Board of General Directors**  
**Port of Hai Phong Joint Stock Company**

We have audited the accompanying Consolidated Financial Statements of Port of Hai Phong Joint Stock Company (hereinafter referred to as the "Company") which were prepared on 21 February 2025 as set out on page 08 to 58, including the Consolidated Statement of Financial Position as at 31 December 2024, the Consolidated Income Statement and the Consolidated Cash Flow Statement for the fiscal year then ended and the Notes thereto.

### **Responsibilities of the Board of General Directors**

The Board of General Directors of Company is responsible for the preparation and fair presentation of these Consolidated Financial Statements in accordance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and related legal regulations on the preparation and presentation of the Consolidated Financial Statements in Vietnam and for such internal control as the Board of General Directors determines is necessary to enable the preparation and presentation of the Consolidated Financial Statements that are free from material misstatements, whether due to fraud or error.

### **Responsibilities of the Auditors**

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. We conducted our audit in accordance with Vietnamese Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated Financial Statements. The selected procedures depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Consolidated Financial Statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by Board of Management, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

## INDEPENDENT AUDITORS' REPORT (CONT'D)

### Basis for qualified opinion

1. As of 31 December 2024, the Company recognized assets related to Berths No. 04 and No. 05 and the Chua Ve Port container yard under the item "Tangible Fixed Assets" (code 221) on the Consolidated Statement of Financial Position. These assets had a total historical cost of VND 279.7 billion and a net carrying amount of VND 142.14 billion. The sources of funding for these assets are recorded under "Long-term Borrowings and Finance Lease Liabilities" (code 338) on the Consolidated Statement of Financial Position, with a corresponding value of VND 342.1 billion. These assets belong to Phase II of the Hai Phong Port Renovation and Upgrading Project, which was invested by Ministry of Transport using Japanese ODA loans and the Government's counterpart funding.

At the request of Ministry of Finance, the Company has temporarily paid certain amounts related to the aforementioned project into the State Budget, these include: Depreciation of assets related to Berths No. 04 and No. 05 and the Chua Ve Port container yard for the period from 2014 to 31 December 2018, totaling VND 44.8 billion, provisionally accrued interest expenses on loans amounting to VND 149.3 billion.

In accordance with Resolution No. 71/NQ-CHP dated 12 June 2020 of the Board of Directors, the Company has suspended depreciation and ceased recognizing interest expenses from 1 January 2020 for assets related to Berths No. 04 and No. 05 and the Chua Ve Port container yard, pending official approval of the management plan for these assets.

On 8 June 2023, the Company issued Document No. 1674/CHP-TCKT to Ministry of Transport, proposing the continued assignment of Hai Phong Port to manage and operate Berths No. 04 and No. 05 and the Chua Ve Port container yard, in line with the provisions of Document No. 2313/TTg-KTN dated 25 December 2013 issued by the Prime Minister.

On 28 September 2023, Ministry of Transport issued Document No. 10882/BGTVT-TC to Ministry of Finance for consultation on the draft Decree regulating the management, use, and exploitation of maritime infrastructure assets (to replace Decree No. 43/2018/NĐ-CP dated 12 March 2018). In this document, Ministry of Transport proposed adding provisions to the transitional clauses of the Decree to ensure that, if the proposal is approved, it would resolve the management framework for these assets, meaning that Berths No.4 and Berths No.5 at Chua Ve Port would be handed over to Hai Phong Port for management and operation (not for lease).

On 24 December 2024, the Government Office issued Notification No. 569/TB-VPCP regarding the conclusions on the feedback and explanations from Government Members concerning the Decree on the management, use, and exploitation of inland waterway infrastructure assets. Accordingly, the Deputy Prime Minister agreed that the Decree should not include provisions for transitional handling of maritime infrastructure assets formed from state capital and assigned Ministry of Transport and Ministry of Finance to urgently report on the handling plan.

Upon official approval from the relevant authorities regarding the management and operation plan for Berths No.4 and Berths No.5, the Chua Ve Port container yard, and the equipment package, Hai Phong Port will be responsible for updating the financial report data.

On 27 December 2024, pursuant to Resolution No. 168/NQ-CHP, the Board of Directors of Company approved the resumption of depreciation for Berths No.4 and Berths No.5 and the Chua Ve Port container yard, as proposed by the General Director of Hai Phong Port in Report No. 4882/CHP-TCKT dated 25 December 2024.

As of the issuance date of this audit report, there has been no decision from the state management authorities regarding the management framework for Berths No.4 and Berths No.5 and the Chua Ve Port container yard of Hai Phong Port Joint Stock Company. Therefore, we do not have sufficient basis to determine the costs related to the use of these assets by Company during the period from 1 January 2020 to 31 December 2024.

2. Ministry of Finance has requested a review of Company's equitization process (as the finalization of the State capital value at the time of equitization has not yet been approved by the relevant authorities). Once official approval is obtained from the regulatory authorities regarding the borrowing and debt repayment plan, Company will make the necessary adjustments (if any) to this Consolidated Financial Statements.

We have not been able to collect the necessary documents to assess the full impact of the aforementioned issues on Company's Consolidated Financial Statements.

## INDEPENDENT AUDITORS' REPORT (CONT'D)

### Qualified opinion

In our opinion, except for the effect of the matters described in the "Basis for qualified opinion" section of our report, the Consolidated Financial Statements give a true and fair view, in all material respects, of the consolidated financial position of Port of Hai Phong Joint Stock Company as at 31 December 2024, and results of its operations and its cash flows for the fiscal year ended 31 December 2024, in accordance with Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and related legal regulations on the preparation and presentation of the Consolidated Financial Statements in Vietnam.

Re: Explanation of the qualified opinion  
by auditors in the 2024 audited  
financial statements

Attention:

- State Securities Commission;
- Hanoi Stock Exchange.

Port of Hai Phong Joint Stock Company (Stock Code: PHP) would like to explain the auditors' qualified opinion regarding the separate and consolidated audited financial statements for the fiscal year from January 1<sup>st</sup> 2024, to December 31<sup>st</sup> 2024, as follows:

Auditors' opinion:

*"As of 31 December 2024, Company recognized assets related to Berths No. 04 and No. 05 and the Chua Ve Port container yard under the item "Tangible Fixed Assets" (code 221) on the Separate Balance Sheet. These assets had a total historical cost of VND 279.7 billion and a net carrying amount of VND 142.14 billion. The sources of funds for these assets are recorded under "Long-term Borrowings and Finance Lease Liabilities" (code 338) on the Separate Balance Sheet, with a corresponding value of VND 342.1 billion. These assets belong to Phase II of the Hai Phong Port Renovation and Upgrading Project, which was invested by Ministry of Transport using Japanese ODA loans and the Government's counterpart funding."*

*As required by Ministry of Finance, Company has temporarily paid to the State budget some amounts related to the above project, including: Depreciation of assets related to berths No. 04 and No. 05 and Chua Ve port container yard during the period from 2014 to 31 December 2018 at VND 44.8 billion, and temporary accrued interest expenses of loans at VND 149.3 billion.*

*In compliance with the Resolution No. 71/NQ-CHP dated 12 June 2020 of the Board of Management, Company has stopped depreciating and recognizing interest cost since 01 January 2020 for assets related to berths No. 04 and No. 05, and Chua Ve port container yard to pending for approved finalized solution by Government authorities on these assets. As at 8 June 2023, Company issued Document No. 1674/CHP-TCKT to Ministry of Transport proposing Port of Hai Phong JSC would be re-assigned to manage and use Berths No. 04, No. 05 and Chua Ve Port container yard, in accordance with the Document No. 2313/TTg-KTN dated 25 December 2013 by Prime Minister. Ministry of Transport issued Document No. 10882/BGTVT-TC on 28 September 2023, to Ministry of Finance seeking opinions on draft Decree of the management, operation and utilization of maritime infrastructure assets (replacing Decree No. 43/2018/NĐ-CP dated 12 March 2018). Ministry of Transport proposed adding content to the transitional provisions of the Decree in case the proposal is approved, it would resolve the management form of assets, i.e., the assets at berth No. 4, 5 of Chua Ve Port would be handed over to Hai Phong Port for management and utilization (not for lease). On 24 December 2024, the Government Office issued Notification No. 569/TB-VPCP regarding the conclusions on feedback and explanations from Government Members on the Decree on the management, operation, and utilization of inland waterway infrastructure assets.*

Accordingly, the Deputy Prime Minister agreed not to stipulate transitional handling in the Decree for maritime infrastructure assets formed from state capital, and assigned Ministry of Transport and Ministry of Finance to urgently report the solution plan. When the official approval of the management and utilization plan for the assets at berth No. 4, 5, Chua Ve container yard, and equipment package is received, Hai Phong Port will be responsible for updating the financial report data. On 27 December 2024, following Resolution No. 168/NQ-CHP, the Board of Management of Company approved the policy to continue depreciating berth No. 04, 05, and Chua Ve container yard according to the proposal of the General Director of Hai Phong Port in Report No. 4882/CHP-TCKT dated 25 December 2024.

As of the issued date of this audited report, there has been no any further directive from the Government agency on the management form of berths No. 04, No. 05, and the container yard at Chua Ve Port of Company being issued. Therefore, we do not have sufficient basis to determine the costs related to the use of berths 04, No. 05 and Chua Ve port container yard of Company from 01 January 2020 to 31 December 2024.

Ministry of Finance has requested a review of Company's equitization process (as the finalization of the State capital value at the time of equitization has not yet been approved by the relevant authorities). Once official approval is obtained from the regulatory authorities regarding the borrowing and debt repayment plan, Company will make the necessary adjustments (if any) to this Separate Financial Statements.

We have not been able to collect the necessary documents to assess the full impact of the aforementioned issues on Company's Consolidated Financial Statements."

The auditor's qualified opinions have been mentioned since the Company transitioned to a joint-stock company on July 01<sup>st</sup> 2014, and Port of Hai Phong Joint Stock Company has submitted written explanations to the State Securities Commission and the Hanoi Stock Exchange regarding auditors' qualified opinions in the financial statements from 2014 to 2023. As of December 31<sup>st</sup> 2024, the regulatory authorities have yet to be approved a resolution for Berth No.04, Berth No.05, and the Chua Ve container yard yet; thus, the auditors' qualified opinions remain.

Port of Hai Phong Joint Stock Company submits the explanation of the auditors' qualified opinions to clarify this information on relevant financial statements and ensure that shareholders and investors could fully understand the Company's financial situation.

Best regards.
